Questions for Discussion:

1. What is the vice-president-nominee? Is this person an officer? Is this person an officer without vote? Is this person a "designated observer"? All three can be seen in these bylaws. The role expectations seem inconsistent.
2. Do we like assigning club mixers to the Vocations Committee? The idea is to give this committee something tangible to do, and to reduce the tasks assigned to the Membership Comm.
3. This revision changes the order of the process for new member entering the club. Is the order acceptable?

4. The club administrator becomes a regular, voting member of the board, like the sergeant in arms. Is this understood?
5. Does the reorder of the Membership Committee to account for regular members and corporate members make sense?
